

Central Family Restaurant

Central Family Restaurant has been a favorite local eatery for over 80 years. Being only one mile from Route 30 and having easy access to and from Interstate 83 makes Central Family Restaurant a great place to stop when traveling through York. After eating, take a couple of minutes to stretch your legs and stroll through historic downtown York. The parking lot is well-suited to accommodate all of Central Family's valued customers.

This fine establishment offers a lengthy, well-diversified menu of great tasting, homemade specials to suit anybody's appetite. The specials include modestly priced breakfast platters. Try a pizza omelet or a tasty banana hotcake some morning. The quick, but great tasting, lunch specials will get you in and out when time is tight. For dinner, Central Family offers eggplant parmesan and Garden Burgers for vegetarians. For those burger lovers, try a thick, delicious buffalo burger. Be sure to save room for homemade chocolate pudding pie or a homemade apple dumpling.

San Carlo's & The Hop

San Carlo's Restaurant was originally one of the largest dairy barns in the York area and is approximately 200 years old. In 1962, the barn was completely remodeled and transformed into a restaurant. The dining room is enhanced with its original fieldstone walls and beams. Through the years, a cocktail lounge and banquet rooms have been added.

You will find our cocktail lounge, known as "The Hop", intriguing. Our theme is the 1950's & 60's with many unique things to view such as the Penny Bar lined with hundreds of pennies. In 2000, we added an outside deck that is truly unique because of the yellow car on top of the roof, giving it the name "The Bar Under the Car".

You will find our food is excellent and our service impeccable! We are located at the intersection of Route 30 and Interstate 83. There are many hotels located close by. Come see our unique establishment for yourself, which has become known as "York's best kept secret".

We give scheduled buses a special history and walk-through tour.

Valencia Ballroom

Altland House Hospitality Group is the one to contact for ideal locations in south central Pennsylvania for special events. We have multiple locations to choose from depending on the type of event you want to host.

The Valencia Ballroom in downtown York is reminiscent of a bygone era when swing was king. The big band sounds of Glenn Miller, Tommy Dorsey and Kay Kyser still echo in this art deco ballroom. Ideal for groups from 25-1000, Altland House will cater a meal for your guests.

The York Expo Center is centrally located on the York Fairgrounds. The White Rose Room and the Pennsylvania Room can accommodate groups from 25 to 300 depending on your type of special event.

Either of these locations is ideal for a stopover lunch before or after touring our local points of interest. Your visit includes a brief history of the local area. Ample parking is available. Reservations required. Specialized menus are available. Please visit our website for additional information.
